September/October 2018

## **Mark Your Calendar**

Sep. 24 – Oct. 1:  
Nasukarasuya Visitors

Tues. Sep. 25: Hamilton  
Music Trip

Fri. Sep. 28:  
Homecoming

Mon. Oct. 1: Wear  
Orange Day – Bullying  
Awareness Day

Tues. Oct. 2:  
Parent/Guardian  
Alliance Meeting 5:30 pm

Wed. Oct. 3: Bridging  
Brighter Smiles Dental  
Clinic

Thurs. Oct. 4: Picture  
Retakes

Tues. Oct. 9: Smart Girls  
Rock

Fri. Oct. 12: 8<sup>th</sup> Grade  
Environmental Site  
Field Trip

Wed. Oct. 17: Author  
Visits – 7<sup>th</sup> & 8<sup>th</sup> Grade

Thur. Oct. 18: No School!

Fri. Oct. 19: No School!

Thurs. Oct. 25: School  
Dance

Sat. Oct. 27: Mustang 5K  
Run

Fri. Nov. 2: 7<sup>th</sup> Grade  
Environmental Site  
Field Trip

Thurs. Nov. 8:  
Conferences

Tues. Nov. 13:  
Conferences

## **Greetings from Principal Boettcher!**

Welcome to the 2018-19 school year!

### **Attitude + Effort = Success.**

The start of each new school year is exciting for students and staff. We have developed a slogan at Menomonie Middle School where “My attitude Mean Success.” We believe that bringing a positive attitude and showing effort will propel us towards success in everything we do. Our students have unlimited opportunities and education is the avenue to unlock those opportunities. The staff at MMS will work collaboratively to support all students on their path to achievement and success.

We have made some changes to our schedule this year that we feel will help our students achieve success. Each student starts their day by attending a CARES. CARES stands for Cooperation, Assertion, Responsibility, Empathy and Self Control. CARES is special 15 minute period of time for students to start their day in a caring environment with a teacher mentor who provides a social/emotional, organizational and/or academic emphasis. Students also are now able to eat lunch with their classmates as we have three lunch periods. Each student will also have a WIN period in their schedule. Our WIN model is about finding the solution that is right for each individual student, by providing scheduled time for additional learning and support. Each day our students have a 30 minute block of WIN (What I Need) time. During WIN all students participate in enrichment opportunities or intervention labs based on what the child needs. We look forward to supporting student learning through WIN this year! These changes have allowed students the availability to participate in PE and their choice of music – band, choir, or orchestra daily. We have also added a health class that goes along with phy ed and a LEAD class which explores leadership, citizenship, community involvement and high school readiness.

**Menomonie Middle School believes ALL students can learn and achieve grade level expectations with the proper time and support.**

Menomonie Middle School has established clear learning targets for each grade level. Students and parents/guardians can view learning expectations at a glance for each grade level. These grade level learning targets are outlined on each course syllabus and on our standards based report card. Our MMS main web page is a great source for this type of information as well.

***Call us if you have trouble finding information. We are happy to help!***

***Attitude + Effort = Success***  
**Principal Bart Boettcher**

## **MMS Welcomes New Educators to Our Team!**

Welcome - Jennifer Bialik, Speech/Language Pathologist  
Welcome - Bryce Befort, 6<sup>th</sup> Grade Science  
Welcome - Claire Brown, Tech Ed/Innovation Specialist  
Welcome - Christina Califona, Custodian  
Welcome - Lisa Fellenz-Freeland, Para educator  
Welcome - Tara Grubbe, Band  
Welcome - Jia Jiang, ELL Para educator  
Welcome - Kari Jungers, Para educator  
Welcome - Shelly Misco, PE/Health  
Welcome - Kelly Nelson, Para educator  
Welcome - Desiree Roberts, Para educator

Thank you to Rachel Tilseth who has been a long term sub since the beginning of the school year!

---

## **Doing What is Right Matters at MMS!**

### **CORE VALUES**

**2018-19**

**We the students at Menomonie Middle School, in order to provide a safe, equal, fair, respectful, and positive learning environment for all associated with this school, set forth the following school-wide Core Values:**

#### **RESPONSIBILITY**

Be a good role model with your thoughts and actions: be on time, be prepared, be honest, and trustworthy.

#### **RESPECT**

Be caring, helpful, and supportive of yourself, everyone, and everything. Act with integrity.

#### **ENTHUSIASM**

Have a positive attitude about life and school. Do your best and have fun! This is your chance: make it count.

#### **SAFETY**

Use common sense, self-control and appropriate behavior to keep our school free of harmful or damaging behaviors.

#### **PRIDE**

Believe in yourself. Never give up. Work together as a team toward success. Be your best.

#### **EMPATHY**

Be sensitive to other people's feelings. Put yourself in the position of others.

## Parent/Guardian Alliance Group!

The MMS Parent/Guardian Alliance is a group of parents/guardians and teachers who actively foster a spirit of cooperation and a sense of support, pride and enthusiasm for education. Nurturing a sense of community and engagement for families is our ambition.

Our first meeting will be held on Tuesday, October 2<sup>nd</sup>, from 5:30 – 6:30 pm in the MS commons.

We are scheduled to meet on December 4<sup>th</sup>, February 5<sup>th</sup> and April 2<sup>nd</sup>.

For more information please email: [MenomoneeMSAlliance@gmail.com](mailto:MenomoneeMSAlliance@gmail.com)

We also have a Facebook page: Parent/Guardian Alliance of MMS

**All are welcome and encouraged to attend!**

### MMS Is Tree Nut / Peanut Allergy Aware

Severe allergies related to tree nuts and peanuts and other related food products are on the rise. To protect the health and safety of all students who experience this type of life-threatening allergic reaction to tree nuts, peanuts, and/or products containing trace elements of these nuts- **MMS is a tree nut / peanut free school zone**. Students and families are reminded to refrain from the consumption or use of nuts at MMS. Your awareness and cooperation could save a human life!

### Do You Have Questions About How to Use “Skyward Family Access”?

If you have questions about how to use our Skyward grading data base “Family Access”, you are not alone. Parents/guardians often have questions or difficulty when navigating this site. Do not hesitate to contact our front office for guidance when this occurs. We are ready and willing to assist you. To login to Family Access, go to the Parents & Community tab, go to Parent Tools and a drop down menu will come up with Skyward Family Access on it. Click on this option to access Family Access.

# STUDENT DROP OFF

We appreciate your assistance in keeping the traffic flowing during morning drop off. By driving as far forward in the drop off lane as possible and exiting the vehicle along the entire drop off zone, we are able to keep a better flow to the traffic. This past summer we were able to have “drop off” zones painted along with right/left turn lanes as you exit the middle school to turn on 21st Street. We hope this helps to limit the backlog of vehicles leaving the middle school.

Most importantly, please use caution when dropping off your children. Unfortunately, we have had a couple of close calls recently as people accelerate through the open lane. People are using the open lane as they have either already dropped the students off or they are attempting to get to the front of the drop off line. For the safety of our students and staff, we ask that students are dropped off in the right lane next to the sidewalk.

Recently, we have had an increased number of people choosing to drop off students in the staff parking lot. We do not encourage this practice as it results in students crossing through the traffic lanes. This has become even more dangerous as the people in the right lane have to look over their left shoulder anticipating traffic accelerating from behind. Their eyes should be focused ahead on the pedestrians crossing from the staff parking lot. This becomes even more dangerous as the mornings grow darker and roads turn snow covered and slippery. We also have more students being dropped off in the winter versus walking and riding bikes. Thankfully, the large majority of you exercise caution, patience, and proper protocol each day during drop off. We appreciate your cooperation.

## MMS IS A BULLY FREE SCHOOL ZONE

Principals, teachers, counselors, and other staff members at Menomonie Middle School are always willing to listen to and consider the ideas, concerns, and needs of our students and parents/guardians. Several options for communication exist:

- **Talk to an adult you trust face to face**  
*Choose an adult staff member you trust and talk! We like talking with students and parents/guardians! If the adult you trust seems busy, ask to set up an appointment to share later.*
- **Call an Adult You Trust**  
*Using the telephone to communicate is perfectly OK!*
- **Write to an Adult You Trust**  
*If talking face to face or on the telephone is too hard, write a message to an adult you trust. Written messages can be delivered to an office or classroom. We will respond to you in a timely manner.*
- **Use Our MMS Idea Box**  
*Written messages can be dropped off in our Idea Boxes located in the middle school hallways. Paper forms are available next to each box.*
- **Send an Email to an Adult You Trust**  
*Sending an email to an adult you trust is a safe and easy way to share. We will respond in a timely manner.*

**All students should feel safe at school! No concern is too small! “Stand up” for yourself and “stand up” for your friends and peers. Together, we can eliminate bullying in our school!**

**We're here to help you! Sometimes it can be confusing to know who to talk to. Here are a few of the main phone numbers and people to talk to.**

**Main School Number: (715) 232-1673**

**Attendance Secretary – Kelly Steinmeyer - ext. 30100**

Student will not be at school

Student is leaving school early—appointment

Student has a planned absence—vacation

Have a question about your student's attendance.

**Nurse's Office - Cindy Beaupre/Judy Olson — ext. 30103**

Student is sick and would like to leave school

Questions regarding medications and plans

**Food Service - Julie Neubrand - (715) 232-2606 ext. 42124**

Food Service is located at the High School

Questions about lunch accounts

**Guidance Office - Jason Mountin - ext. 30108**

Questions regarding students with last name beginning A-L

**Guidance Office - Nancy Horner - ext. 30112**

Questions regarding students with last name beginning M-Z

**Main Office - Tina Liestman—ext. 30111**

Have a question about your student's fees—tech, print fee, athletic/club fees, etc.

### **Parent/Family Online Access**

Online Family Access is available for all families in the district. To obtain a username and password, contact our district office at (715) 232-1642. Please, for security reasons, do NOT share your parent login with your child. Go to [www.sdmaonline.com](http://www.sdmaonline.com) and click on the **Family Access Login** link on the left side. You can access your child's attendance, grades, fees and lunch balance.

### **Attendance Reminder**

Good school attendance is one predicator of academic success. All Menomonie Middle School students are required to be in attendance from 7:43 am to 2:55 pm. Additionally, students are reminded that they have a maximum of 10 school days that can be missed during the school year for personal illness, religious services, and family activities. If a student needs to attend an appointment during school hours, a note from a parent/guardian or that business office needs to be turned into the Attendance Office the morning of your appointment so we can get your student a pass and that it does not count against those 10 days. If your child is absent, please call the Attendance Office.

### **Parents**

Sign up to receive daily announcements, newsletters, and other important updates. The link is available on the middle school website.

Go to Parents & Community, then to Parent Tools. You will see a drop down menu listing Daily Announcements. Click on that link. This will take you to the Middle School Announcements page. On the right side is a Subscribe button. Click on that and follow the prompts.

Please remember to update your information, emergency contacts, and fill out permission forms on Skyward Family Access for your student(s). This is important for field trip permission, student and bus code of conduct, video/photographing permission, computer network agreement, health services standing orders, and more. You can also pay online fees for the middle school and sports fees.

### **Free and Reduced Lunch**

Families who may be experiencing financial hardship are encouraged to apply for the free and reduced lunch program. Guidelines change and family circumstances change as well. Applications are available in the middle school office, as well as the district office. Many times our families are struggling to make "ends meet" and if they are eligible for assistance, it could really help their family. In addition, students who meet free and reduced eligibility are often times eligible for other programs. However, if an application is not submitted, they cannot receive that service. To learn more about eligibility criteria or receive an application, contact the Food Service Office at (715) 232-2606 ext. 42124.

## What does it mean to be *Chronically Absent*??

While truancy issues affect a small percentage of our students, a larger group of students meet the definition of *chronically absent*. What is the difference people often ask? Truancy is defined by law as unexcused absences and indicates intent on the part of student and/or family to miss part or all of a school day. Chronic absenteeism is a term used to describe both excused and unexcused absences. This term more accurately describes the typical attendance issues found at the middle level. The cumulative effects of both excused and/or unexcused absences have a significant impact on a student's ability to learn.

Chronic absenteeism is defined as any student missing more than 18 days, or 10%, of a school year. At MMS, we don't wait until the student has missed 18 or more days before we begin to offer services. On a monthly basis, our attendance secretary will run a report of any student who has missed more than 10% of the days we have had school. This report allows us to progressively monitor absences throughout the year and identify any specific situations in need of intervention.

All students are allowed by law 10 days of excused absences during the year. After 10 days, a doctor's note is required as documentation to excuse the absence. As a parent myself, I certainly understand that illness and unexpected life events that may keep your child from school at some point. However, we must avoid any unnecessary absences not knowing what the remainder of the year could bring. For example, if you already have 4 or more absences following the first month of school, you are on pace to miss 36 days, or 20%. Now you are looking at 8 more months of school with only 6 more absences before a doctor's note is required.

During my time working with students and families regarding attendance issues, I have learned it is rare any two situations are alike. If there are issues surrounding your child's ability to attend school, please contact us. We have resources in place that we can use to assist with your child's attendance. When we are able to develop a strong partnership with the student and their family, we can make an immediate and positive impact upon their attendance.

## **Student Chromebook Procedure**

If your student is having issues with their chromebook, please follow these directions:

1. If a student has a chromebook issue, go to the library with your chromebook in the bag.
2. Library staff will check out a loaner chromebook to the student. **LOANERS NEED TO BE BACK AT THE END OF THE DAY, STUDENTS CAN NOT TAKE THEM HOME.**
3. Student will use the Student Tech Ticket link on the MS Portal to send their own tech ticket. **ALL GRADES HAVE BEEN SHOWN HOW TO DO THIS IN LANGUAGE ARTS.**
4. At the end of the day, the library staff will let Tech know that there are chromebooks that need to be picked up.
5. The student will be notified when the chromebook is back and ready to be picked up in the library.

# MMS SCHOOL GARDEN

The MMS school garden has been harvested. Students planted tomatoes, squash, carrots, potatoes, lettuce and flowers in the spring. This fall potatoes were delivered to the cafeteria to be in school lunches, lettuce was harvested for school salads, carrots and squash were delivered to teachers, tomatoes were used for bruschetta in LEAD class and students and teachers devoured apples from the apple trees.

## *After School Homecoming Plan Procedure*

If you are planning to go with friends on the bus after school for Homecoming, please make sure you bring a note to the office before school or during your lunch. Do not wait until the bell rings as there may not be time or room. Texts and calls from parents/guardians will not be accepted. A note is required for all bus passes. This is an extremely busy day in the office so we cannot guarantee your student will get messages. Please plan ahead and make sure your students know what they are doing after school for Homecoming. If you are a regular bus rider and are walking or getting picked up, we do not need notes. We only need notification if you are riding a different bus.

## HOMECOMING WEEK

### DRESS UP DAYS

SEPTEMBER 24-28

Monday	Twin Day
Tuesday	Tie-Dye Day
Wednesday	Pod Color Day
Thursday	80's Day
Friday	Mustang Pride Day

## **2018 Parade Route**

Due to the road construction on Main Street, the parade route has changed for this year. The parade route begins on 14<sup>th</sup> Avenue, left on 9<sup>th</sup> Street. Follow 9<sup>th</sup> to Wilson Street and take a left. Follow Wilson Street to 7<sup>th</sup> Street and take a left. Proceed down 7<sup>th</sup> Street back to the Leisure Center to dismantle.

Dental Clinic at school

Bridging Brighter Smiles, Inc. provides preventative dental care right at school! Services offered include, oral screenings, dental cleanings, sealants, fluoride varnish applications, and referral assistance. Visits are held throughout the school year. This program is open to all students in the district 4K through 12th grade.

To enroll your children, simply go to [enrollment.bbsmiles.org](http://enrollment.bbsmiles.org) to complete an enrollment form right online.

Questions? Call Bridging Brighter Smiles at (262) 896-9891, or visit them on the web at [www.bbsmiles.org](http://www.bbsmiles.org).

**Our first clinic at Menomonie Middle School will be on Wednesday, October 3, 2018.**

Lifetouch will be at the middle school on Thursday, October 4 for picture retakes. If you missed pictures the first day of school, or need them taken again, be sure to get your picture taken. We will call students down during CARES and 1<sup>st</sup> period. Please bring your money and order form with you at that time. Order forms are available in the front office. Late envelopes cannot be accepted. Only online orders accepted after picture day.

We would like to introduce you to the math curriculum we are using: *Open Up Resources 6–8 Math*. This curriculum is a top-rated curriculum that will get kids excited for math class -- and excitement boosts learning.

With *Open Up*, students are rolling up their sleeves, diving in, and engaging in hands-on activities that apply math to the real-world. This engagement helps students talk about math, learn from one another, push their thinking, and develop communication and collaboration skills, which they'll need throughout their lives.

We encourage you to follow along at home by [accessing resources designed for families](https://bit.ly/2xzk5Cl) (<https://bit.ly/2xzk5Cl>). These resources:

- help you understand what your student is learning in class
- describe the big ideas your student will encounter over the course of each unit
- provide an overview of the mathematics your student is learning
- detail what to expect as the learning deepens
- offer questions you can use at home to promote conversation around the math

We value the partnership with your family as we work to foster a love of math, and success with math, for your student.

6th grade math is wrapping up our study of Geometry in Unit 1. Towards the end of October, we will be transitioning into an introduction of ratios. Families can find background information and examples of our studies at the following links.

[Unit 1](#)

[Unit 2](#)

Additionally, 6th grade students are invited to attend "Math Camp" from 3-4 PM every Wednesday. Students do not need to register, or attend every week; they just need to arrange alternate transportation at 4PM.

MMS is a schoolwide Title I building. That means that all the teachers work together to help every student achieve higher. Each year the Federal Govt. gives us an allotment of money based on how many students we have that have free and reduced lunch. Staff at our building don't know who is on the program, however we know the percentage of students schoolwide. Classroom teachers, the Title 1 Intervention Specialist and the Math Interventionist use achievement data and teacher recommendations to determine who will work with the interventionists in groups throughout the year. Our staff is here to help parents feel welcome and comfortable seeking academic interventions for their child/children. Please see or email Mrs. Liz Creviston, Language Arts interventionist, or Mr. John Flaten, Math interventionist, with any questions about how to receive services for your child/children. Our goal at MMS is to make our school a place where students and families have the opportunity to receive what they need!

\*Free and Reduced Food Applications are available in the front office\*

## **YEARBOOK ORDERS**

Get your yearbook now for only \$19. The price will go up after October 5<sup>th</sup>. Order your yearbook online at [Jostensyearbooks.com](http://Jostensyearbooks.com). Don't wait! Order yours today!

Are you a middle school girl who is interested in Science, Technology, Engineering, or Math? Do you want to learn about future career possibilities in those fields? Then this event is for you! Join us for hands-on activities, demonstrations, and speed-mentoring with women professionals from the surrounding Dunn County Area.

**Who:** Any girl in 6th-8th grade

**When/Where:** Tuesday October 9th from 8:00am-10:30 in MMS Cafeteria

**Teacher Contact:** Ms. Yonash room 714

**What:** Middle School Dance

**Where:** MS Gym

**When:** Thursday, October 25<sup>th</sup> from 3:00 – 5:30 pm

**Cost:** \$4.00

**Concessions available!**

Thursday, November 8<sup>th</sup>

&

Tuesday, November 13<sup>th</sup>

4:00 pm – 7:30 pm

## Music Notes

Welcome back to another year of making music! Please take a moment to check out the MMS Music website. The site contains information about the Music Department Calendar, the expectations and grading policy of each performance area, and information about private teachers in the area. From the Middle School website, click on Music under Departments at the left side of the page.

On Monday, September 10th, we kicked off our annual Magazine Sale Fundraiser. Thank you for supporting the music program through the Magazine Sale. Money raised will support many aspects of the music department including instruments, guest clinicians, large group festival, field trips, honors opportunities, and summer music camp scholarships. Links to the sale website can be found through the MMS Music site. The sale runs through September 21st, however, subscriptions can be purchased to support the MMS Music programs all year long through the Website.

Thank you again for supporting music in your child's life. If you have any questions, or if you would prefer to support the music program through a direct donation, please contact any of the music teachers.

James Anderson - Orchestra  
Jean Enyeart - Choir  
Tara Grubbe - Band

An introduction to the sport of gymnastics is offered to all students (boys and girls). There is no competition or travel for this program. Students are expected to learn skills at their own pace and put together a routine on the events of their choice for a "Performance Night" at the end of the season (usually the week before Christmas break).

The activity fee of \$50.00 applies if your child has not participated in a prior sport for the school year. Practice is after school until 5:30 pm each day except on Wednesday there is no practice. There will be an organizational meeting on Wed, Oct. 24 from 3:00-4:15 pm in the cafeteria. Parents are also welcome to attend this meeting to learn about the program and expectations.

Please contact Cindy Beaupre at 715-232-1673 ext. 30103 if you have questions about gymnastics.

## Health Office Reminders/Procedures

**An Emergency Card** for the current school year should be on file in the Health Office.

You and your child are responsible for completing the card and returning to the office ASAP. Please provide an emergency contact and keep the office informed of current work and cell phone numbers throughout the school year. Thank you for your assistance!

**Emergency medication** that is needed for field trips, sports or during the school day for your child should be provided at the start of each new school year. If your child has been prescribed an inhaler or Epi-pen for their health concern, please provide emergency medication as soon as possible. ER medication can be kept with the student or stored in the Health Office.

**All non-prescription and prescription medication** must be administered in the Health Office. *An authorization form must be completed for all medication each school year.* Parent authorization is needed for over-the-counter medication and a doctor's authorization for prescription medication. Students may pick up the required form(s) in the Health Office or on the school website. With the exception of an inhaler and or Epi-pen, a student is not allowed to have any medication in their possession during the school day. We encourage you to provide pain reliever/cold/allergy medicine and/or cough drops as needed for your child at school. Please remember **medication must be brought to the Health Office in the original package or bottle. Thank you!**

**Health Office supplied non-prescription medication** – this is a newer form that most families completed on the first day of school or on line. If you did not complete this form, the form is included in this newsletter. This is a permission form for the basic first aid supplies that are used to treat a student in the Health Office during the school day. Specific stocked medication is listed on this form for parent approval. All completed forms should be returned to the main office with a parent signature.

**Immunizations** – Parents of students who are *behind schedule* or have *no record* on file will receive a notice. This notice will state a deadline to provide proof of immunization requirements or an “in process” status. Failure to provide proof of the requirements can result in exclusion from school. The Tdap requirement **affects ALL middle school students for the 2018-19 school year.** Thank you to all the families who have already submitted proof of the immunization requirements.

\*Meningococcal Vaccine is recommended for all children at their routine pre-adolescent doctor visit (11-12 years of age). This is **not** a required vaccine at this time, but because of the recent deaths on college campuses, many colleges are now looking at requiring this vaccine on or before acceptance to their campus.

**Please remind your child not to share drinks, lip products and use good hand washing practices. Clean hands help prevent illness.**

## **Lost and Found**

If your child has misplaced something at the Middle School, there is a *Lost and Found* table in the hallway by the office. Please encourage your child to check this location to claim lost items. The PE Dept. has their own *Lost and Found* table in each of the locker rooms. We accumulate many, many items during the year.

## School District of the Menomonie Area

Ramie McMahon, RN, BSN, Student Health Services Coordinator

1715 5<sup>th</sup> Street West Menomonie, Wisconsin 54751 Tel (715) 232-2609 ext.40101 Fax (715) 232-1543

---

### School Supplied Non-Prescription Medication Administration Form

The School District of the Menomonie Area requires that all students who need non-prescription medication during school hours do the following:

1. Have the parent/guardian complete this medication administration form and sign it.
2. Bring the medication in the original container if the medication is not supplied by the school.

Name of Student: \_\_\_\_\_ Grade: \_\_\_\_\_

Date of Birth: \_\_\_\_\_ School: \_\_\_\_\_

---

### TO BE COMPLETED BY PARENT

The following health care items can be utilized and administered to students by school personnel in the health office. School personnel will adhere to the instructions on the medication packaging. Areas checked **YES** can be administered to my child:

**YES**

**NO**

_____	_____ Alcohol-70% Isopropyl (for topical use and equipment cleaning)
_____	_____ Benadryl (children's or regular depending on age and weight for minor allergic reactions) – Call district nurse if this needs to be given – follow district Epipen/anaphylaxis procedure
_____	_____ Bacitracin, Neosporin (triple antibiotic ointments) – (topical antibiotic ointments for cuts, etc.)
_____	_____ Caladryl lotion (for itchy rashes)
_____	_____ Cough drops (sore throats/coughs)
_____	_____ Hydrocortisone cream 1% (for itchy rashes)
_____	_____ Mouth sore/canker sore medication (orajel)
_____	_____ First aid cream (soothe and help healing)
_____	_____ First aid antiseptic spray (to prevent infection)
_____	_____ Hydrogen peroxide (wound cleanser, first aid antiseptic)
_____	_____ Burn Gel (for burns)
_____	_____ Sterile isotonic buffered eye wash-for irrigating the eye for foreign body such as dust, etc.
_____	_____ Sting kill (for bee stings)
_____	_____ Sunblock
_____	_____ Vaseline
_____	_____ Visine pure tears (lubricant eye drops)

Parent's Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Telephone number of parent/guardian: \_\_\_\_\_

---

Emergency Contact Person \_\_\_\_\_ Phone number \_\_\_\_\_

# COLLECTION CORNER!

Thanks for your continued support by clipping and turning in your collected items for our school! The time and effort you give will help those in job skills class learn skills for the working world. Plus money for our school - it's a WIN WIN!

*The collection bin is located in the office.*

## BOX TOPS For Education

Found on almost every item in your refrigerator, freezer or pantry and much much more! Cut them out & bring them in!! A complete list can be found at [www.boxtops4education.com](http://www.boxtops4education.com). We can earn money from collecting Box Tops cut from participating products. It is an easy way to give money to our school without spending any extra money!

## Milk Caps - MILK MOOLA

Kwik Trip MILK MOOLA caps and bag top labels can earn 5¢ for each one you send in to our school. Please rinse the marked milk caps (leave labels on milk caps) &/or cut out the whole 5¢ strip top bag label and bring them in for our school!

## Thanks for your support!

FYI: Labels for Education and Coke Rewards have ended their program.

Thanks for the support you have given!

If you have any questions regarding any of these fundraising projects,  
feel free to contact Mary Ann Hitz ([maryann\\_hitz@msd.k12.wi.us](mailto:maryann_hitz@msd.k12.wi.us))

## Earn Money for Our School!

### Shoparoo

Turn your shopping receipts into donations for our school. Just download the Shoparoo app and select the school you want to receive the donation. Just download the Shoparoo ap and start scanning your receipts.

Shop: Shop for any product, at any store

Snap: Take a picture of your receipts

Earn: Shoparoo donates to your school

Where does the donation money come from? Their founders are former teachers and retail executives who have found a novel way of matching schools' need for financial support with major consumer brands' need for market research. When you use the Shoparoo app to raise money for your school, your receipt data along with any answers you provide to optional surveys is made anonymous and summarized in market research reports that brands purchase. All research data remains anonymous, and this enables them to give money back to schools!

# Mustang 5K

Saturday, October 27, 2018

Menomonie Middle School

<b>Registration</b> Individual- \$20 Family Price - \$45 (Maximum of 4 people at the same address)	<b>Race Day</b> 7:30 a.m. Registration 9:00 a.m. 5K Timed Race 10:00 a.m. Kid's ¼ Mile Run (free)
--	--

All proceeds will support Menomonie Middle School student school activities.
